People go to Laipa!

Gather, gather, dear people,
The open door day in "Laipā" is here,
Apartments, day center and workshop,
Everything we have is offered.

Ceramics, lessons and sawing,
Made by our own hands, caressed and cherished,
Planing, woodworking and sanding
This is the work of our husbands,
Crochet knitting and sewing
It is the honor of all of us.

Good luck to you from us,
Good luck to you from us,
Good luck to you, center "Laipa",
Good luck to you from us!
